

# ROTHBURY ROOTS

*"If there is a better, more intimate, and atmospheric venue for roots music in the UK, I have yet to find it." (Blues Revue)*

*Keeping Music Live @ The Queens Head ~ Rothbury ~ Northumberland*

**On THURSDAY 31<sup>st</sup> Aug 2017**

*Rothbury Roots Presents:*

## **Reg Meuross**

Calling **Reg Meuross** a singer-songwriter really doesn't do the man justice. He doesn't write lines of lyrics. He writes short stories then sets them to captivating melodies. Reg's imaginative and finely crafted songs prompted Mike Harding to introduce him onto the stage of The Royal Albert Hall as "One of the finest singer-songwriters this country has produced".

2017 heralds a new solo album, *Faraway People*, a fresh collection of songs which comment bravely on life as Reg sees it, from the ravages of austerity and the injustice of the plight of refugees, to some of most beautifully disarming lyrics ever written. Reg can reach people through his songs and performances. His words and music paint pictures that remain with the listener long after the song has been sung.

*"Powerful and moving songwriting"* Martin Chilton, The Telegraph

*"A mighty songwriter and an equally fine singer"* Martin Carthy
